

WHY DO TEAMS USE TRITONWEAR?

Train Smarter, not harder.

BENEFITS FOR COACHES

Spend more time focusing on stroke mechanics, instead of babysitting a stopwatch.

Seamlessly set up your team: One click to link each unit to an athlete's profile on TritonWear Teams, then get swimming.

All coaches can use the system simultaneously, providing more access to personalized data for each athlete on the team.

MORE BENEFITS FOR COACHES

Increase dedicated time per athlete, providing data-driven, personalized feedback.

Identify and act on clear visual trends with 30+ data points, to keep athletes on track to hit ambitious goals.

Take your athletes to the next level. **Athletes who use TritonWear** have broken national records and shattered personal bests across the globe.

BENEFITS FOR SWIMMERS

Improve faster by receiving better feedback, and more one-on-one time with coaches during practice.

Really understand your performance by reviewing and learning from your Triton Scores over time.

Learn from your peers: See what sets you apart, good or bad, with your Like Me Scores to find your fastest path to improve.

BENEFITS FOR PARENTS

Athletes stay motivated and engaged in their training by tracking success with their coaches.

Develop skills like accountability, focus, and analyzing performance data to improve.

Athletes become more disciplined in reviewing their metrics at home, building better adults.
